2005-2006 ESEA Title VI, Part A, Subpart 2 Transferability of Funds

District Name: _____

Legal Entity No. (Elem or K-12) _____

Legal Entity No. (High School) _____

Title VI, Part A, Subpart 2 provides a local education agency (LEA) the flexibility to redirect the use of a portion of its formula grant allocations for certain federal ESEA programs to supplement its formula grant allocation under certain other federal ESEA programs. An LEA can only redirect funds within its administrative unit and between programs in which the LEA participates.

Note: Districts eligible for Title VI, Part B, Small Rural Schools (SRS) stop here. Do not complete this form. For redirection of allocated funds, complete the SRS program page 43 in the consolidated application.

Notes: An LEA may not redirect the use of any of its Title I, Part A funds to any other title.
An LEA that intends to redirect funds must conduct consultations with private school officials (as per Section 9501 of ESEA) if the proposed redirect of funds takes funds from a program that provides services to students, teachers or other educational personnel from private schools.

Limits on Transferability of Funds—Percent of Funds

An LEA that has not been identified as being in need of improvement under Title I, Part A or as being subject to corrective action under Title I, Part A may redirect the use of **up to 50 percent** of its formula allocation from any or all of the four listed programs to any of the five listed programs.

An LEA that has been identified as being in need of improvement under Title I may redirect the use of **up to 30 percent** of its formula allocation from any or all of the four listed programs to supplement its school improvement activities or for improvement activities under Title I Section 1116(c).

An LEA that has been identified as being subject to corrective action under Title I may not redirect the use of any funds.

Transfer of Funds

- In the following table, enter into the appropriate column the percent of funds you are redirecting from a title (those listed in the first column) to a different title (those listed in the first row).
- If you are redirecting funds, you must submit a Budget and Program Modification Request for Federal Programs form for each title from which you are redirecting funds.
- Use the Modification Request form to modify only the **programs** impacted by the redirection; you **do not** need to modify the budgets because you will fiscally account for the funds under the program **from which** the funds were originally allocated.
- You may describe the program changes on the Modification Request form or you may attach revised pages from your consolidated application to the Modification Request form.

Title from which funds are being redirected	Title to which the use of funds is being redirected									
	Title I Part A		Title II Part A		Title II Part D		Title IV Part A		Title V Part A

Title II Part A										
Title II Part D										
Title IV Part A

Fiscal/Program Reporting: I understand that any funds redirected for the use in another title will be accounted for fiscally under the title from which the funds were originally allocated and programmatically under the title for which they were used.
